Warranty

Most Bosch equipment carries a 3 year limited manufacturer's warranty (excluding accessories) to be free from defects in workmanship and material under normal use and conditions. Bosch rechargeable batteries carry a 1 year warranty. All Bosch accessory items carry a 90-day warranty to be free from defects in workmanship and material under normal use and conditions. Warranty does not cover normal wear and tear on the product or any other physical damage unless the damage was the result of a manufacturing defect. This warranty is void if damage occurred because of misuse or if the product has been repaired or modified by anyone other than a factory authorized service center. Contact Listen or see the Listen website for further details.

Accessories

Integrus 56-Unit Charging Cabinet

This sturdy, hard side case can store and charge up to 56 Integrus Pocket Receivers. Has rapid charging capability so units can charge in under 2 hours. A universal mains power facility enables charging around the world. Also has a charging status indicator for each unit.

LBB 4550/00 Integrus Receiver Rechargeable NiMH Battery Pack

NiMH battery pack to be used with LBB 4550 Integrus Pocket Receiver. Features a temperature sensor for an optimal charging process. Battery life is up to 75 hours.

LA-337 Integrus Radiator Stand

The Integrus Radiator Stand is a portable tri-pod stand for the Integrus medium and high powered radiators. Made of sturdy aluminum and glass-reinforced polycarbonate fittings this stand is also lightweight enough for portable application.
